Judging by 3 judge panel for 1st through 6th places in each division. Highest scores will be given for the most difficult and inventive controlled maneuvers in the most critical section of the biggest and/or best wave for the longest distance. Sportsmanship and safety will also be considered. Only the first 10 waves on which a contestant establishes control will be judged: after catching 10 waves contestant will be required to leave the contest area or be subject to disqualification. The scores of the 3 waves receiving the highest scores will be totaled to determine placement by each judge; as necessary the scores of the fourth and subsequent waves will be tallied to break any ties. Interference is defined as having adversely affected the ride of another contestant who already had established right of way and control on a given wave: the contestant judged by at least 2 judges, to have interfered will receive a score of zero for that wave and it will be counted as one of his/her 3 tallied scores. Any handboard/gloves meeting definition may be used.

Awards: perpetual trophies previously won by **REDWINGS** for 1st, 2nd, 3rd place in each division
REDWINGS World Champion Handboarder Perpetual Trophy for Grand Champion. Minimum purse of \$350 for **World Professional Handboard Champion** (entry fees will form purse).
